## Pre-Kindergarten Summer Fun

**2009**

We're gearing up for a summer full of fun and energy. Here are a few things to keep in mind as we prepare:

Whenever we go on a field trip or outing (including Water Tower Park days), please send your child with sock and close-toed shoes. The exception is sprinkler days, when children can walk over in sandals or flip flops.

Parents and guardians are welcome to help chaperone field trips. Let us know if there's a field trip you'd like to go on. Please remember that chaperones may not spend personal money on their child or the children in their groups. Your cost of admission as a chaperone is covered by NCFC.

Once a month we will enjoy a Dilly Bar treat from the Dairy Queen. Once a month we will do a cooking project or activity. Bike Day is every other Friday in the parking lot. Please send your child's bike from home with their helmet. If they do not have a helmet, they do not ride. The third Tuesday of each month will be "Toy from Home" Day, where children can bring a toy to play with at school.

We look forward to a wonderful fun-filled summer. If you have any questions about what is on the calendar for the summer or if you would like to join us on a field trip, please let us know.

Miss Michelle, Ms. Erica, and Ms. Ilona
