around the table

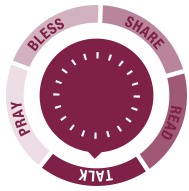

Holy Spirit Come Faith5

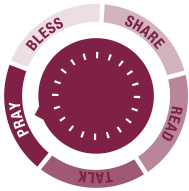

Around your table:
Do a Mental Health Check In

Today's God's Great Story is of the coming of the Holy Spirit on Pentecost
Acts 2: 1-4

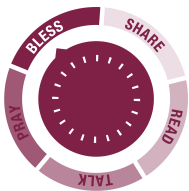

What words to describe the Holy Spirit do you connect with?
How have you seen God's Spirit at work this past week?
Is the Spirit comforting or convicting you?
How can we listen to the Spirit's call to be part of sustaining solutions rather than sensational sentiment?

Prayer for our Cities

Ask God for the Holy Spirit to come and move in our cities, in our people and in our own hearts.

Blessing

Gentle blow air on each other and say "God's Spirit is on you"
