

Summer Campfire Faith5

This summer join us around for worship the campfire

As you collect sticks or share around your table: What are some of your favorite things about summer? What can you plan to do this season in these unusual times?

Today's God's Great Story is the prophet Micah's response to what should we do when faces with injustice and societal consequences of our past: do justice, love kindness and walk humbly. **Micah 6:8**

As we are still living through a pandemic and unrest in our cities, how are you doing? Just like there are many different steps to make a campfire, there are so many different ways to be part of doing justice, loving kindness and walking humbly. What part do you feel like to play?

Just because someone else's part doesn't look like yours doesn't make either of them less valuable. If you don't add kindling, the fire won't start for the match.

Smore Prayer Activity

Grab the supplies for making smores, what ever variety you like, and share in the prayer activity on the next page together (if you're not at a fire, you can microwave them for 15 seconds and won't have that charred flaming marshmallow flavor)

Blessing

Do a cheers tap with your smores and say "thanks for being part of the fire"

First Graham Cracker: Start by greeting God. You might say "Dear God," "Holy God," "Loving God," or "Creator." Use the name for God that helps you to pray.

Chocolate: God's love is sweet! Thank God for all the ways you feel God's love- the warmth of the campfire, delicious food to eat, the beauty of nature around you, and the time with your family and friends. Have each person around the fire share what they are thankful for.

Marshmallow: Life can get sticky, so we ask God for help. We make mistakes. Sad and scary things happen. Ask God to help you and other people. You might ask for healing for someone who is sick, forgiveness when you have made a mistake, peace for the world or anything! Share what you are praying for with those around the fire.

Final Graham Cracker: End your prayer with a group "Amen!"
