Grounded & Growing: A New Reformation

Sunday, Oct. 25 | 9:15-10:15 am | Fellowship Hall

Former Anglican Bishop, Mark Dyer, has said: “Every 500 years the Christian church feels compelled to hold a giant rummage sale—eliminating what is no longer needed and rediscovering treasures it had forgotten.” The Protestant Reformation began in 1517, and 500 years later, we are in the midst of a new reformation. What are we questioning? And what is being re-discovered in the Lutheran church and the wider Christian body? Presenter Pat Hendricks will draw upon her 23 years of active ministry with churches and para-church organizations to offer this engaging and interactive presentation on Reformation Sunday.

Support the Faith Journey of Our Youth

Sunday, Oct. 25 | 11:45 am Sanctuary

At Nativity, youth participating in the confirmation process grow in their understanding of the Bible as well as Lutheran history and theology. They also discern their own identity as a Child of God and their calling in the church and to the world.

Next Sunday we celebrate the young people who will affirm their faith in a special worship and confirmation ceremony following our regular 10:30 worship hour. All are welcome to attend and offer their support.

All Saints’ Weekend

Oct. 31 & Nov. 1 | All Worship Hours

All Saints’ Weekend is a time when we remember loved ones with a special prayer liturgy. As part of our in-person and online worship, the names of Nativity members who have died in the past year will be read followed by the ringing of a bell. At the conclusion, we’ll remember all loved ones who have died with the lighting of candles. We invite you to join us for this time of remembrance. All are welcome.

Advocating for Our Neighbors

Oct. 31-Nov. 1 | Commons After Worship

Twice a year, Nativity joins thousands of congregations in Bread for the World’s Offering of Letters—a simple yet powerful way to live out our faith by advocating for those who are hungry. These letters go to Congress, urging support for programs that keep food on the table for millions, including programs like SNAP (Supplemental Nutrition Assistance Program) and international food aid.

Right now, SNAP faces deep funding challenges and new restrictions that could cut benefits for millions, even as food banks struggle with bare shelves and soaring demand.

Your voice matters. A few minutes to write a letter can help shape policies that protect the most vulnerable and move us closer to ending hunger. Stop by our table after worship next weekend to learn more and take part in this faithful act of justice.
